BAKING AND COMMISSARY SUPPLIES

White Baking Cup, the perfect companion for all your baking adventures! Crafted from high-quality, food-safe materials, these versatile cups are designed to withstand the heat of the oven while providing a charming presentation for your treats. Ideal for cupcakes, muffins, and mini desserts, their classic white finish allows your baked goods to take center stage, making them perfect for parties, celebrations, or everyday indulgence. With a grease-resistant design, these baking cups ensure easy release and cleanup, allowing you to focus on what you love—creating delicious masterpieces in the kitchen!

PAPER BOWLS AND LID

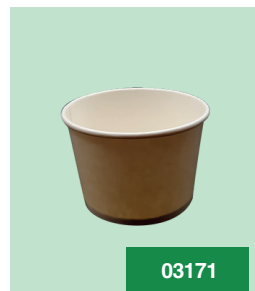

Paper bowls with secure lids are frequently used by restaurants and cafes for takeout and food delivery. Lids ensure that liquids like curries, gravies, or dressings do not spill during transportation. Convenient for serving food at picnics, parties, weddings, or outdoor events, reducing cleanup time.

PAPER CUPS AND LID

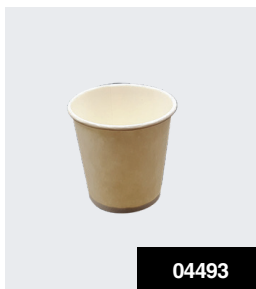

Eco-friendly paper cups made from recycled materials or designed to be compostable are often chosen for events that aim to minimize environmental impact.

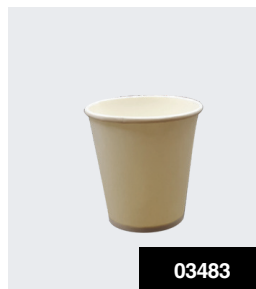

Paper cups provide a convenient, portable, and customizable solution for serving drinks, making them a popular choice in both professional and personal settings.

PLASTIC AND PAPER FOODWRAPS

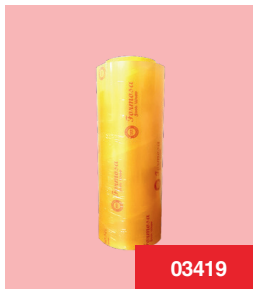

Food wraps are essential in daily life, offering convenience, hygiene, and versatility for food storage, preparation, and transportation. Food wraps are evolving to meet modern sustainability needs.

Keeps food fresh by protecting it from air, moisture, and contamination. Used to cover bowls or plates in the fridge, preventing odors from spreading and keeping food from drying out. Prevents freezer burn when used to wrap meats, vegetables, or baked goods before freezing.

PLASTIC CUPS & LIDS

Plastic cups are lightweight, disposable, and versatile containers made from various types of plastic, including polypropylene (PP), polystyrene (PS), or PET (polyethylene terephthalate).

Used for layered beverages like iced coffee, bubble tea, or cocktails, where the visual appeal of the drink matters. Helpful in restaurants, catering, or dieting plans for serving measured amounts of food or drink.
